Net Gain/Loss (4256.25)

Covid 19 had a major effect on our budget. We were unable to have any of our usual fundraisers and there were no funeral luncheons, so all money collected in the last year was from dues and donations. Most of our expenses were consistent with past years because we continued to celebrate Masses. The Altar Society has a money market account which helped us to operate with such a large loss this year.

Circles

A circle is a group of women within the Altar Society who meet to serve the parish in a specific way. Descriptions of our circles and their focus are available at our membership drive or from Joyce Richardson. We would welcome new circles at any time. You can serve the parish without joining a circle, fill our time & talent survey.

Purpose

The purpose of the Altar Society is two-fold:

- to raise funds to provide for the needs of the Altar
- AND to promote fellowship among the women of the parish through events and circle membership.

We host various activities: fundraisers, services to the parish, works of mercy, and social events. The money we raise through dues, donations, and fundraisers is spent purchasing the items needed for the Altar. We supply the candles, incense, communion bread, fresh flowers, plants, decorations, etc.

And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through him.

Resurrection Altar Society

2021-2022

We ask all parishioners to financially support the Altar Society. We supply the communion bread, candles, incense, fresh flowers, plants, seasonal decorations, in addition to paying a stipend to those who launder the sacred wash, altar cloths, and altar server robes.

We ask women of the parish to join the Altar Society. This is as simple as paying the \$5 per year dues. There is no need to do more. All monies collected supply items used in celebrating Mass.

We invite women to join a circle if they are interested. You can serve the parish without joining a circle, fill out time & talent survey. Women may be as involved as they are able.
