

## *Resurrection School Auction, November 13, 2021*

### **\*Frequently asked questions\***

**\*What's the school auction all about? Never been?** We invite you to come give it a try- we guarantee you won't be disappointed! Numerous items are auctioned off throughout the evening- in both a silent and live format- including handmade class projects! Items are bid on and there are great deals to be had!

**\*Where is the auction held?** The school auction is held in Mercy Hall and doors open at 6:00 pm.

**\*Is dinner provided?** An appetizing assortment of food is provided throughout the night and is included with the cost of your ticket; adult beverages and soft drinks are available for purchase.

**\*How much do I have to spend?** As much or as little as you decide! In addition to the numerous auction items available to bid on, there are raffle tickets sold for a great item you could win. Getting a great deal on items to purchase may cost a little, but spending the evening supporting our school is priceless- and a LOT of fun!

**\*Is there a way to help out with the auction?** Absolutely! If you're interested in helping out but don't necessarily want to be on the committee, we'd love to have your help. Watch for a sign-up request to come out soon asking for help in prepping food, setting up the hall, decorating, arranging auction items, auction evening shifts, and clean up. This is a really fun way to help out, meet other parents, and get your school service hours in!
