

Formation Year Two (6th Grade + Older)

Candidates are confirmed in the spring of their second year of formation, typically in 6th grade. During this year, candidates are formed in one of two ways: either at OLGK Parish school or within the EDGE middle school youth program.

All middle schoolers are encouraged to attend EDGE as it is a relational ministry that is formative, impactful, and relevant for this age. For those seeking Confirmation, there will be sacrament-specific lessons and small groups within EDGE.
