

Our two year old classes are all about learning through play in a fun and loving environment! The children continue to learn to socialize with other children, with focus on quickly developing language skills in order to express themselves and relate to others. The children enjoy free play in centers, teacher directed activities including art, circle time and table activities like play dough, puzzles and other manipulatives to strengthen fingers and hands for future writing and cutting. Early literacy and math learning is encouraged with learning of nursery rhymes, shapes, colors, numbers, counting and the alphabet.

All of our classrooms have a bathroom with easy access through the day, for when children are learning to use the potty. Children bring a lunch daily.

Our two year old program class choices are:

Three days a week: Monday/Wednesday/Friday or Tuesday/Thursday/Friday

Two days a week: Tuesday/Thursday

Hours are 9:30 am to 1:00 pm
