

Our PreK Plus class is designed for children turning 5 years of age between June 1 and November 30. We provide the opportunity for children to gain confidence and maturity while learning in all areas to be Kindergarten ready.

With continued emphasis on social/emotional development, this class also focuses on phonics, letter sounds, vocabulary, listening and speaking skills, sight words, emergent writing, creative arts, science and social studies. Math includes numeral recognition and writing numbers, graphing, counting by ones, fives and tens, patterning, sorting, one to one correspondence, adding and more. Our PreK Plus class uses Sight Words for early reading and literacy skills and Learning without Tears for math.

The daily schedule includes morning work, journaling, question of the day, center time, circle time, small group/one on one instruction, art projects, science exploration, story time, music, playground time and more. Children bring a lunch daily.

Our PreK Plus program meets five days a week, Monday through Friday. Hours are 9:30 am to 1:30 pm
